WHAT THE STUDENTS HAVE TO SAY...

“PROJECTX has been an amazing experience, I have learnt so much from all the different aspects of the course, it has really helped me focus on what direction I want my career to go in! The ‘Present Yourself’ day has given me the all the confidence needed to reach my full potential.”

LEAH WALTON

“I would recommend this year to anyone! It has covered everything I need to know to help further my career in the hairdressing industry, from shoots, shows and pr presentation skills. It is one of the few opportunities that is around without the age limit.” TIMOTHY EVANS

WHAT THE MENTORS HAVE TO SAY...

“PROJECTX is utterly unique... the students gain access to the most talented and inspirational mentors in the business, irrespective of what company they work for or colour brand they use. It’s so exciting meeting the group at the start of their year and watching them grow into truly talented hairdressers who know how to PR themselves, too!” HARRIET EVANS

“PROJECTX is an amazing opportunity for any hairdresser.... It’s the ultimate finishing school. The people and industry leaders the team work with throughout the year offer inspiration and invaluable knowledge that can benefit hairdressers of all levels and ability. It has been great to see how this year’s team have progressed and grown in confidence. On a personal level I can’t wait to be involved again next year.” ROBERT EATON

THE SCIENCE BIT...

PROJECTX is a once-in-a-lifetime experience. We are looking for talented, go-getting individuals who are fully committed and want to take advantage of all this course offers. This is your chance to shine!

PROJECTX is operated and run by Fellowship Education.

It is a wholly owned trading company of the **Fellowship for British Hairdressing**.

Participants must have a minimum of five years hairdressing experience (including training). There is no upper age limit. However, the ideal candidate is fully trained but eager to learn and experience more.

ALL THIS FOR JUST £1650 (plus VAT)!

Applications are considered on their suitability for the course and may be asked to attend an interview. The course is non-transferable once it has commenced.

UMBERTO GIANNINI PROJECTX STUDENT OF THE YEAR

All participants on the PROJECTX course for 2010 will be constantly assessed on attendance, presentation and course work. The course facilitators will be looking out for (and giving marks) based on commitment, hard work and talent.

At the end of the year one participant will be named as the **'Umberto Giannini PROJECTX Student of the Year'** at the prestigious Fellowship Luncheon and Awards event held at the Dorchester in London.

In addition to a diploma and trophy the winner will be recognised by manufacturers and the cream of the industry at this high profile event. This could be the start of something big!
