

HOW CAN I GET INVOLVED?

Project X is a once-in-a-lifetime experience. We are looking for talented, go-getting individuals who are fully committed and want to take advantage of all this course has to offer. This is your chance to shine!

Participants must have a minimum of five years hairdressing experience (including training) and work at a Fellowship salon or be a Fellowship member. There is no upper age limit, however, the ideal candidate is fully trained and eager to learn and experience more. All this for just £1650 (plus VAT) or £2475 (plus VAT) for non-members.

WHAT THE STUDENTS HAVE TO SAY...

"My year on Project X has been fabulous and fun filled. I have been working alongside an amazing and creatively outstanding team. We have been so grateful for the opportunity to work with such talented mentors that have given up their time to teach and help us grow as hairdressers... I am looking forward to what's next for me!"

SAMANTHA CLARKE,
HOUSE HAIR & BEAUTY

"My year with Project X has been exactly what I have been looking for: first class education and support. I have learnt so much and met some really inspiring people. I feel I have grown so much as a person and my confidence has really developed. The encouragement we all give each other is great and I am so honoured to have worked with all the fabulous guest hairdressers we have had this year. 2014 is definitely a year I won't forget!"

As well as being guided on how to present and push forward in the industry, each intense Project X session has inspired us to actually go out and find our own inspirations!"

All participants on the PROJECT X course for 2017 will be constantly assessed on attendance, presentation and course work. The course facilitators will be looking out for (and giving marks) based on commitment, hard work and talent.

At the end of the year one participant will be named as the 'Umberto Giannini PROJECT X Student of the Year' at the prestigious Fellowship Luncheon and Awards event held at The Dorchester in London.

In addition to a diploma and trophy the winner will be recognised by manufacturers and the cream of the industry at this high profile event. This could be the start of something big!

"My year on Project X has been one to remember. The master classes, the people I have met and become friends with, I could not have asked for anything more. I came in to Project X a young budding stylist and have loved every minute of it, being given free reign creatively and opportunities in abundance. I cannot thank the Fellowship enough. I guess the only thing left to say is 'onwards and upwards.'"

You'll get to meet participants from other salon backgrounds with different approaches and levels of experience. Making new friends and having fun are also part of the package! It's intensive, but amazingly rewarding stuff!
